

# Photo Chemical Etching Flexible Printed Circuits Printed Circuit Boards

Meeting Industry Standards for  
Commercial & Military  
Markets

Over  
30 years  
experience

- Lead Frames
- Laminated Magnetic Cores
- EMI/RFI Shielding
- Short Runs & Production Quantities
- 2 to 24 Layers
- RF/Teflon® PCB's
- FEP Bonding
- **Fusion Bonding**

Design Assistance • ISO 9001:2008 Certified • ITAR Registered • Quick Turn Prototypes

**Commercial • Military • Automotive • Aircraft • Computer**
